

We Are The People

Bob Carlisle / Bob Farrell / Greg Nelson

Chorus 1

We are the people
God has called us in this hour
To be a shining light
Throughout the darkest night
We are the people
And the way we make a change is only
By the way we live our lives
We are the people of the Light

Verse 1

Every one of us want
To make a difference
So we try to find a way to say the
Things we feel
And every one of us
Feels a righteous anger
But it's not about the fight
And it's not about who's wrong
Or right

Verse 2

We were never meant to carry
All of the burden
We can never force a change in a
World that goes its way
But if we open up to the power of
His Spirit
Then the mountains will move
And the glory of God will
Shine through

Verse 3

We are the people
God has called us in this hour
To be a shining light
Throughout the darkest night
We are the people
And the way we make a change
Is only by the way we live our lives

Verse 4

We are His hands His hands of mercy
We are His words of peace
We are His heart of compassion
And forgiveness
Only in Christ we meet their need
