

YOU WERE THERE

(Avalon lyrics verified by tkg)

Oo

VERSE:

I wonder how it must have felt
When David stood to face Goliath on a hill
I imagine that he shook with all his might
Until You took his hand & held on tight

CHORUS:

*'Cause You were there, You were there
In the midst of danger's snare
You were there, You were there always
You were there when the hardest fight
Seemed so out of reach
Oh You were there
You were always there
You were always there
Oo*

VERSE:

So there he stood upon that hill
Abraham with knife in hand was poised to kill
But God in all His sov'reignty had bigger plans
& just in time You brought a lamb

CHORUS:

*'Cause You were there, You were there
In the midst of the unclear
You were there, You were there always (You were oh)
You were there when obedience (oo)
Seemed to not make sense
Oh You were there
You were always there (oh)
You were always there (oh)*

BRIDGE:

(Haven't I)
So haven't I learned that my ways aren't as high as Yours are
(You alone)
& You alone keep the universe from crumbling into dust
(You are God)
& You are God & though we would not have understood You
There You were

VERSE:

Hanging blameless on a cross
You would rather die than leave us in the dark
Ev'ry moment, ev'ry planned coincidence
Just all makes sense with Your last breath

CHORUS:

*(You were there, You were there)
During his'try's darkest hour
(You were there, You were there) always
(You were there) You were the victor & the King
You were the pow'r in David's sling
(You were there) You were the calm in Abraham
You are the God Who understands
(You were there) You are the strength when we have none
You are the living Holy One
You were, You are & You will always be
The risen Lamb of God*

INTERLUDE

TAG:

*(You were, You are & You will always be
You were, You are & You will always be
You were, You are & You will always be
You were, You are & You will always be
You were, You are & You will always be
The risen Lamb of God
You were, You are & You will always be
The risen Lamb of God)*
