

IN GOD WE TRUST

("Voices Of Hope" lyrics verified by tkg)

Intro Psalm 56:10-11

{Toby McKeehan of dc Talk}

Sunrise over the mountain of freedom
As we are living & breathing
Counting the blessings that fall on us all
We go down into the valley before us
Singing & shouting our chorus
Donning the Armor of Light
That we're leaning on

{Amy Grant}

{Michael W. Smith}

For we know that we are nothing without it, oh yeah
Overall, under Him we make our stand

{Rachel Lampa}

*In God we trust for He is faithful
We put our hope in Him alone
Through any valley God will sustain us
Until the day He brings us home*

{Amy Grant, MWS, Rachel Lampa, Jaci Velasquez, SCC}

So long, long is the road that we walk on
On every journey we stay strong
If we are believers in love & the power of His hand now
We can endure anything now
We know in our hearts He is here now
Lovingly, mercifully watching over us all

{Steven Curtis Chapman}

{Crystal Lewis}

When we're falling only He can save us, oh yeah
If we follow, He will surely lead us on

{Jaci Velasquez}

*In God we trust for He is faithful
We put our hope in Him alone
Through any valley God will sustain us
Until the day He brings us home*

{Mark Stewart of Audio Adrenaline}

{Janna Potter of Avalon}

Lay down, Lay down your troubles now
Lay down, Lay down your troubles now
Lay down, Lay down
Lay down, Lay down your troubles now
Lay down, Lay down your troubles now
Oh, Bring us home

{dc Talk-Michael Tait, Kevin Max, Toby McKeehan}

*In God we trust for He is faithful
We put our hope in Him alone
Through any valley God will sustain us
Until the day He brings us...*

{Anointed-Da'Dra & Steve Crawford}

{Selah- Nicole & Todd Smith}
{Russ Lee}

Lay down, Lay down your troubles now
Lay down, Lay down your troubles now
Lay down, Lay down your troubles now
Lay down
Lay down, Lay down your troubles now
Lay down, Lay down, Day
Bring us home, Bring us home, Bring us home
