

Walk In The Dark

Wayne Watson

Chorus 1

I'd rather walk in the dark with Jesus
Than to walk in the light on my own
I'd rather go through the valley
Of the shadow with Him
Than to dance on the mountains alone
I'd rather follow wherever He leads me
Than to go where none before me have gone
I'd rather walk in the dark with Jesus
Than to walk in the light on my own
In the light on my own

Verse 1

Where are You taking me
Why are we turning here
This road is strange to me
This path is not so clear
Must be the place where
My doubt turns to faith
Where I close my eyes
And take Your hand

Verse 2

I've made some plans you know
Mapped out a strategy
Somebody tell me
Where did the seasons go
Have You forgotten me
I've heard the darkest hour
Is just before dawn
And wherever You are
The sun will shine shine

Misc 1

(BRIDGE)

There will be shadows
But I won't be shaken
'Cause You've never forsaken a vow
Oh no no
You've never failed me before
This I know
And Jesus You won't fail me
You won't fail me now no no

Misc 2

(CODA)

I'd rather walk in the dark with Jesus
Than to walk in the light on my own
On my own
To walk in the light in the light on my own
